LEGENDS CAMP

IN PARTNERSHIP WITH

ICESWAN

November 18th – 22nd

From the Desk of Sir Richard Branson

I am delighted that Premier Tennis will be hosting the 2014 Necker Cup and Legends Camp, in partnership with Ice Swan for a third year.

We would like everyone to be part of this great event, so if you are unable to attend the Necker Cup, I recommend registering for the Legends Camp. This five day event will run from November 18th to 22nd at Rosewood Little Dix Bay. You will have plenty of time to relax and receive one-on-one training with Murphy Jensen, Wayne Bryan, Brad Gilbert and other world class pros.

On the evening of November 21st, you will be invited to join me and ATP/WTA players and Necker Cup guests on Necker Island for the “End of the World” Charity Dinner, Auction & Party. Together, we will party and enjoy live music throughout the night. This will be, without a doubt, the night of our lives!

One hundred percent of all silent and live auction proceeds will benefit Virgin Unite, the National Tennis Foundation and other leading ATP/WTA player tennis charities.

So pick up your racket, I look forward to seeing you this November!

Cheers!

Richard

2014 Legends Camp Imagine...

Getting away and staying at the historic Rockefeller Rosewood Little Dix Bay Resort for a five day, all inclusive tennis vacation experience of a lifetime.

Hailed as one of the best Tennis Resort Destinations by the Tennis Channel, Rosewood Little Dix Bay is nestled on the untamed island of Virgin Gorda in the heart of the British Virgin Islands. It is an island of rolling hills, beautiful isolated beaches and spectacular geological formations surrounded by astonishing clear waters of the historic Sir Francis Drake Channel. The world-famous Baths of Virgin Gorda, unsurpassed sailing and numerous unpopulated islands nearby to explore and snorkel, all combine to make Virgin Gorda a Caribbean vacation destination like no other.

Rosewood Little Dix Bay's renovated accommodations offer a stylish blend of island charm, comfort and convenience. Each spacious room, suite and Caribbean luxury villa evinces a warm, personal mood, and is afforded a thoughtful array of amenities. Accommodations are nestled amid lush gardens and shaded footpaths along a half-mile crescent beach on Virgin Gorda.

Sense, the Rosewood world class Spa®, is situated on the cliff's edge and overlooks the glistening Sir Francis Drake Channel with the resort lying below. The intoxicating beauty of the surrounding environment captures the essence of relaxation and renewal of this vacation escape. The resort's spa offers an array of Caribbean specialties that fuse the indigenous botanical resources proliferating within the grounds of the resort with therapeutic practices and progressive concepts in health and wellness. Signature luxury treatments include the Virgin Gorda Goat Milk & Honey Wrap and the Salt Island Scrub. The spa's relaxation area features a two-tier infinity pool and an exclusive Cliff Spa Suite is available for couples. The spa also hosts Yoga, Pilates and meditation classes. Spa services are offered daily 8 a.m.-8 p.m. by appointment. Legends Camp guests will receive a 20% discount on all spa services.

2014 Legends Camp Virgin Gorda's Beauty

The centerpiece of this dramatic area on Virgin Gorda's north shore is The Baths, a geological wonder comprised of awe-inspiring granite boulders, which form sheltered sea pools on the beach's edge. The protected area also includes Devil's Bay, which can be reached from The Baths by a series of ladders scaling the boulders.

The cavernous surroundings are a result of the molten rock seeping up into the existing volcanic rock layers; because the molten rock did not reach the surface it cooled slowly and formed the hard crystalline granite layer.

A series of steps and rope handrails guide explorers along a trail through the boulders from the beach at The Baths to the sandy expanse that is Devil's Bay. This popular daytime anchorage is ideal for swimming and snorkeling.

Bitter End Yacht Club is the Caribbean's premiere luxury water sports resort, hosting family fun vacations, romantic getaways, and idyllic escapes for all. Located on the island of Virgin Gorda in the British Virgin Islands, Bitter End is uniquely situated along a mile of shorefront on the protected waters of the North Sound. The barefoot elegance that characterizes this island outpost is why Bitter End is regularly hailed as one of the top full service resorts in the world.
